

- **First, our party will protect the form of state of Japan, a nation reigned over by a line of Emperors unbroken for ages eternal without equal in the world.**
- **Second, under the banner of “Japan First,” our party will defend the national interest of Japan to the last, protect the rights of the Japanese people, and pursue the well-being of the whole Japan.**
- **Third, our party aims to restore genuine conservatism and is prepared to fight against foreign enemies when occasion demands to protect the tradition, culture, and history of our country.**
- **Forth, watching out for crises in the tense international situation, our party aims at the earliest possible establishment of a new Constitution in Japan’ s own hands for Japan to possess proper national armed forces.**
- **Fifth, our party seeks to discontinue distorted social welfare administration for foreigners and improve social welfare for the Japanese people.**
